

Commodore Sean McDermott  
The Royal Nova Scotia Yacht Squadron

April 20, 2020

Dear Commodore,

On behalf of my fellow Flags and the membership of the Boston Yacht Club, I want to extend deep sympathy to you and the Squadron for the tragic shooting rampage that occurred in Nova Scotia at the weekend.

Such violence within an otherwise peaceable community must be deeply shocking to you, your Squadron and the wider community in which you live. It must be especially hard as you also deal with staying safe during the uncertainty surrounding the Coronavirus pandemic.

Many of our members have reached out to express sympathy, please know our thoughts and prayers are with you.

Yours sincerely
