

Royal Nova Scotia Yacht Squadron

Marine Activity Center – Winter Storage

The RNSYS will be offering winter storage for those dinghies owned by members. The spots offered to members will be determined after all club assets have been stored. Member spots will be given on a first come first served basis.

Winter storage dates: November 10 2019 to April 25th 2020. Members are responsible for storing their dinghies in and out the MAC. The RNSYS will not respond for any damage that may occur during the storage.

Fees:

- \$95 for dinghies under 9ft (Optis)
- \$350 for dinghies between 9ft and 14ft (Lasers, 420, 29er)
- \$590 for dinghies over 14ft

Applying for storage:

Member Name:

Account #:

Dinghy #1 type and serial #

Dinghy #2 type and serial #

Dinghy #3 type and serial #

Storage of vessels does not fall under RNSYS insurance. Members are reminded that they must have their vessel make, model and serial number provided to the carrier of their home insurance policies in order for coverage to be bound. Access to the Marine Activity Centre during the off-season is very limited. Members must contact the club well in advance to arrange entrance. Members must label and identify their equipment being stored in order to avoid confusion. Dollies are to be disassembled and stored in the same footprint of storage as the vessel. The RNSYS is not responsible for damage or theft of gear or equipment stored.

I, the undersigned, have read, understand, and agree to the terms outlined in the above.
